What we do

How does Connection Bank protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does Connection Bank collect my personal information?

We collect your personal information, for example, when you

- Open an account
- Apply for a loan
- Show your driver's license or show your government issued ID
- Give us your contact information

We also collect your personal information from others, such as credit bureaus, affiliates or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes – information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
